“ I will always cherish the times Aunt Bert would call to say hello and lift my mood into one of love, peace and joy. She had a heart of gold and the voice of an Angel that always made me feel she genuinely cared. For all of the family, my love, sympathy and celebration of the time I shared with her will always be a part of wonderful memories of my Aunt who gave so much love to all

“ To Mr. Humphrey Truitt and family,
My thoughts and prayers are with you during the loss of your dear sweet mother. I remember meeting her when I arrived on the scene in Durham while I worked for the city and she was serving the community in an effort to serve and seek justice. I will always remember her sweet spirit. God bless you.

“ Jane and I extend our deepest and sincere condolences to the family of Mrs. Beart Truitt.

I had the pleasure of serving with Miss Beart on the Citizens Advisory Committee. She was an inspiration to all who served with her. She was a very polite and kind person but more importantly she was committed to her faith, her family, her friends and her service to fellow citizens.

She told me that I could call her Birdie. I began addressing her as Miss Bearti.

Miss Beart served as the “rudder” for the CAC, meaning that she kept the Committee on course by periodically reminding members of the purpose and mission of the committee. From time to time she would invoke a polite but strong message to the group that it’s primary function was to represent citizens who did not have the political power to put forth their concerns and needs associated with affordable housing and community improvements.

I had the good fortune to develop a friendship with Miss Beart during and following my service on the CAC. She was my source for information about the history of the community and the CAC. We enjoyed sharing information about our families, our history, and our concerns for the community, both local and at-large. Laughter was always a part of our verbal exchanges.

I always felt at ease in Miss Beart's presence. I will forever cherish our friendship.

Sincerely,
Charles Recktenwald

“ Thank you all for your wonderful comments about my Mom. It is January 2016 and as you can see I still reflect and remember my Mom everyday in a positive and happy way.

Charles and Yvonne, as I serve on the CAC Committee now I am carrying on my mothers work to serve others as she did.

Like she always told us, "Keep a smile and don't let no one still your joy."
