“ Just learned today about the terrible news of Ed's passing - and we are all heartbroken. He was such a kind and cheerful man - and we all (especially my kids) miss seeing him at school. His beautiful spirit brightened my day - and his passing leaves a hole in our hearts.

“ I'm just finding this out today and this brings me to tears. He was such a sweet spirit and I'm so saddened that we will no longer have his positive energy at the school. May he rest in peace, and may God send a comforter to the family. What a great loss to our community.
