“ God looked around His garden and found an empty place, He looked down upon the earth and saw your tired face. He put His arms around you and lifted you to rest. God's garden must be beautiful...He only takes the best. Gwen, I will always remember you as one of the best childhood playmates one could ever have. On cloudy days...you and your family always brought sunshine to the Fisher Street neighborhood and surrounding areas. A life well lived and a Job well done. May God continually and perpetually Comfort and Bless the Family and love ones...He is our strength and refuge. And for Surely, God is Able.

“Gone but not forgotten. Forever in my heart. So many wonderful memories of you with a very sweet kind spirit and a steadfast faith in God. “Celebrate Barnes Family!

In the Amplified translation of The Bible in John Chapter 11 verses 25-26 it states "Jesus said to her, I am the Resurrection and the Life. Whoever believes in (adheres to, trusts in, relies on) Me [as Savior] will live even if he dies; and everyone who lives and believes in Me [as Savior] will never die. Do you believe this?".

Again I say Celebrate Barnes Family! The celebration never ends because Mrs. Gwendolyn Olympia Barnes left you with the greatest gift you could ever receive from her, you had her presence and she left you with the memories. Cherish them! Guard them! and never ever forget them! Keep the Barnes family strong and united. Protect your family's name during this time of bereavement.

Most importantly, Mr. Joseph W. Barnes, III and Mr. Reginald Brian Barnes, my mother was born in New Orleans, Louisiana and passed in 2010. I believe in Celebrations of Life! I also believe that this is what my mother would tell you that you too will say in the future <https://www.youtube.com/watch?v=mlkt3-o9VKo>, in the meantime <https://www.youtube.com/watch?v=6MZ5yegg418>.

To the Barnes brothers, please do not be afraid to seek counseling as you move thru the grieving process (#KublerRossModel). God will take care of you both <https://www.youtube.com/watch?v=HKymBRvKABY>. If you need a change in your life <https://www.youtube.com/watch?v=0dmA5Jt9Sao>. There is no greater Love <https://www.youtube.com/watch?v=-3vjDj5mMBg>. No human being is perfect <https://www.youtube.com/watch?v=rYOQy3CPCik>. As you move forward <https://www.youtube.com/watch?v=vd3KWLcFcN4>. Barnes brothers better days are coming <https://www.youtube.com/watch?v=Gd6sRYHGluY>. “ Looking up and talking to you as if you were here

I will miss you my friend and our almost weekly phone calls and texts. You are and always will be one of my best friends, a friendship that began in 1972. Your last text to me was 4/24/22 where you said you would call me back, the next day I called you and heard your voice for the last time. I will keep your text messages for they were always uplifting, funny, and serious. After you are inducted into the halls of Heaven by GOD and as you stroll down the streets paved with gold and embrace your family take time to think about us.

“ We extend our heartfelt sympathy. My son and I are saddened by this tremendous loss. Growing up in the neighborhood would have not been the same without Mrs. Barnes. She always greeted me with a loving smile and a kindhearted spirit. A very devout Born-Again Christian she was, and she not only knew the word of God, but she lived it. I'm very grateful that she was a part of my childhood. Her memory will be with me everlasting. Rest In Heavenly Peace, Mrs. Barnes.

“ Gwen was a very loving and supportive sister. I am proud to have been a brother and benefactor of her caring and strong support to our father. She was never too busy to help others bear their load. And she was drinking from a saucer, because her cup had done overflowed.
