“ I'd like to extend my deepest condolences to Ronnie, Pat and the entire Bigelow family. I had the pleasure of working with Steve for four of my five years as Minister of Music at Greater St. Paul. I'd always admired him before I arrived at GSP, but getting to know him was one of the highlights of my tenure . He was one of the most talented people I've ever known, yet one of the the most humble. Rest in peace, my brother.

“ Our heartfelt sympathy go out to Ronnie and his family. Steve was a very special person. I remember him accompanying me when I had to sing at a funeral at Russell Memorial. He did not know what I was going to sing, but he picked me up as if we had rehearsed. He will really be missed by so many song birds. May God comfort you and give you peace during this difficult time.

“ So saddened of Steve's passing. He has joined that Heavenly Choir and will never get tired of playing those instruments he was so gifted to play. A few years ago I was happily surprised and happy to hear him sing and play at the church his great grandmother Maggie Holman-Hughes grew up in: Orange Cross Road Bpt, out from Hillsborough. Steve was truly a musical talent gift from our Heavenly Father. He will be sorely missed. May God bless the family. Cousin Fannie

“ Steve was definitely a legend in his own time as he played the organ and could make it sound as though the music was going straight to heaven! I am so grateful that I had the opportunity to be a part of the GSP choir/family (Evangelists/Mass Choir) under the musician and legacy of Steve Bigelow! Rest in Peace.

“ I remember Steve playing piano around the age of Four years, his father had to place him on the piano stool to reach the keys he was a maestro . Later he played piano ,organ and xylophone on an album with a group I had the privilege of singing with as an adult. Steve was not only a great pianist , but a great friend to all he encountered. RIP my friend.. RIP.

“ I salute the Bigelow family with my highest regards, and condolences. My memories of Steve dates back to my teenage years where as he was teaching me how to play "Oh Happy Day." Did not know that I would have the oppportunity to play with him at Russell Memorial C.M.E. Church for over 10 years (2003 - 2014). Steve has always been a gentle giant to me, and my spirit has been blessed by knowing him, and learning from his musical, and professional abilities. His annointing was so evident, and I thank God for our many musical encounters. He was a joy to work with, and I am missing him greatly.

Blessings to the family, and the many friends mourning Steve...the maestro!

“ The family of Mark A. Jones would like to extend our deepest sympathy to the family of Steve Bigelow. My memories of Steve expand close to 45 years starting as a classmate (homeroom 2 yrs.) at Hillside High School class of 1971. Later I became of member of Greater St. Paul Baptist Church and my husband and I had numerous opportunities to work with musically and associate as friends with Steve and his former wife Debra. I remember all of us getting together late at night preparing to go on church vacations with Rev. Bigelow and the choirs. We went to New York, Philadelphia, New Jersey, Georgia and Florida just to name a few together. When Stephanie was born we spent a lot of time together with our kids as they really loved her and treated her like she was a life size doll. Then there was the association with the group "The Christianaires" a gospel group that Steve and his cousin played the organ and guitar respectively. Those were the good old days where people followed the group all over NC as if they were famous. There was no other talent like that of Steve or the duoship shared by Steve and Rev. Bigelow. We will greatly miss Steve, his talents, friendship and the comradery that we once shared. You will live on in our hearts and memory.

“ 'Loss leaves a heart-ache no one can heal, Love leaves a memory no one can steal.'”

To the family of Steve Bigelow, my prayers are with you. I will miss hearing Steve playing the organ, he did just what Psalm 100 said to do:

Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing.

“ One of the greatest [non-verbal] organist around. He just let his fingers do the talking and oh the joy that flood my soul. A musical genius and an unforgettable soul. “ To the Bigelow Family,

My deepest sympathy and prayers are with you at this time. I will always cherish the years at Greater St. Paul enjoying his melodious music whether in the choir with him, in the audience or traveling. If I was looking for someone to compare him with, I would have to call up King David. He was truly one of the greatest.
