“ Willie was a very important part of my life. I will always remember officiating his basketball games, and he gave me a lot of confidence, he never said a word even when i officiated the Hillside games and Northern where i graduated from. Most coaches would not have allowed that. over the years we became friends and he allowed me to be his insurance agent for many years. he was always so gracious. i will miss him and want to express my condolences for the family and sorry i cannot attend the services. Please call on me if you need anything. Love, Rusty Herring

“ I am so sorry to hear about Willie Bradshaw. I met Willie many years ago (mid 90's) as a beginning athletic director. Willie had no reason to know me or talk with me, but he did. Over the years, every time I saw him, he seemed to make a point of talking with me and finding out how I was doing. Willie showed me that veteran athletic directors need to show an interest in younger AD's, and let them know of a willingness to help. I will always remember Willie's help. I consider it a privilege and honor to have met this great human being!

“ Shirley, Natalie and Fauna,

I was very sad when I learned of the passing of Coach Bradshaw. I know how much he meant to each of you. Shirley, when I was home from California in February, I am glad that I had the opportunity to visit with you and Brad and have prayer with him and you at the hospital. Now, Ma Belle, Brenda and Brad are smiling together in heaven.

You have my deepest sympathy, and I am sorry that I will not be able to be there with you on Thursday. However, I will be sure to contact you when I get to Durham on Monday, March 30, 2015.

My prayers are with you and your family during this difficult time. Remember that as Christians, we know that to be absent from the body is to be present with the Lord, and through faith, you shall see your loved ones again.

Take care and may God keep each of you in his care.

With sincere condolence,
Rev. Deborah Long Burroughs (Debbie)

“ Shirley, Natalyn and Fanta,

I was so hurt to hear of "Pop's" passing. I met "Pop" through his daughter Brenda McKinnon, one of my best friends. He was always there for all of us (Brenda, Cecelia, Deborah, Regina, and Lillie) the "gang" with wisdom and wit. He loved life and encouraged us to do the same. I could not have met and had a better friend that "Pop." He will be sorely missed.

I will pray for your peace and comfort during the days to come and beyond. May God give hold all of you in His loving arms and give you strength."

Love,
Sylvia

“ My sympathy and prayers go out to the Bradshaw Family. Willie was a great coach and a good man. He and I coached against each other, but games never interfered with our friend ship. Willie touched so many young lives and they were better because of him.

God bless you the family, and all his many friends.He will be missed!

“ Shirley, Natalyn and the Bradshaw Family:

I was very saddened to hear about your loss of Willie.

I had the wonderful privilege of knowing and working with your husband/father for almost 30 years when he served as DPS AD and as a member of the Durham County Stadium Authority, while I was the Durham County Director of General Services. He was a true gentleman and community leader in every sense of the word. I will always remember him for his professionalism, great sense of humor and contagious smile.

May GOD hold you in his hands and comfort you during this great time of loss.

Former - Director of General Services (1981-2010)

“ To the Bradshaw Family. I remember Coach Bradshaw when I was a student at Hillside High School. He was a very kind and humble person. He would always ask how was the family whenever I would run into him. God loves a beautiful garden, he always picks the most beautiful flower that he created. I pray God's blessing and healing upon you all.

“ I became acquainted with coach Bradshaw in January 1968 when I bought a house next door in the Highland Heights community of Durham. We were neighbors for the next twelve years and we had quite a time competing for the best looking lawn on the lower end of Uzzle Street. Coach Bradshaw and Shirley attended our wedding in June 1980.

I was not an athlete, but I learned of his high caliber teaching and coaching skills from friends who were his former students at Lincoln High School in Chapel Hill and Hillside High School in Durham. I was impressed by his personal appearance, bearing and authoritative nature.

Coach Bradshaw set a standard not likely to be equaled. Our condolences are extended to his family.

“ So sorry to hear the sad news about Coach Bradshaw. As one of the few white players to play basketball at Hillside in the early 70's, you could always count on Coach Brad to be tough, but fair. He took pride in his fierce demeanor, but there was usually a twinkle in his eye when you got past the rough facade. I ran into Coach and Mrs. Bradshaw at the Angus Barn over Christmas several years ago and it was great to see him. i will cherish his memory as I'm sure all his family will.
