*To the Family,
It is never easy to find the right words to say at a time of such great loss and bereavement. Just know that your Mother was a faithful, spirit-filled, Christ centered jewel. She had a unique way of expressing herself and her honesty was sometimes hard to take but we would not have loved her any other way. She was a mentor, teacher, and great example of faithful living to me. I will always appreciate her taking the time to share her wisdom, knowledge, faith, and love with me. She will be truly missed around FCBC but she will live forever in our hearts. May God comfort your hearts in time as she now rest from her labors.*

“ *Mrs. Townsend was the only person that could make a Sour Cream Pound Cake just the way I liked it. She was a blessing. And I can still hear her laugh. She is for sure with our Lord and Saviour Jesus Christ. To God be the Glory for placing such a blessing on this earth.*

“ Dear Townsend Family. I will always remember Ms. Addye traveling with us when her grandson, Andre and my son Chris played basketball in the summer months. She was a wonderful grandmother and a wonderful lady. She always smiled and I so much appreciated that. My life and my son's life has been enriched by her. May the Lord bless you all because a star has fallen, but we will always remember. This picture is truly how I remember her. She has earned her wings. Love you Ms. Addye.

“ There are several precious thoughts that come to mind about such a wonderful friend and neighbor. She was a gracious lady, and the best neighbor for over 30 years. I so remember our back door talks, and we always checked on each other every day. It was truly a blessing to have known her.

Most of all she knew and loved our Lord and Savior Jesus Christ and shared her knowledge of the bible for us to live by, I will truly miss her terribly but I do know she has claimed her mansion on high and walking with Jesus on the streets of gold!

My thoughts and prayers are with the family.

She welcomed me into her home, fed me, took me to school, picked me up, shared with me scripture, and kept me out of trouble during an impressionable time in my life. She didn't have too, she didn't owe me anything. She treated me like I was her own, and she was truly a special woman who I will never forget. I'll never forget her yelling at me because I would forget to close her backdoor or screaming at Andre from her room downstairs. She was one of a kind and I'm going to miss her... Beautiful spirit who made my life better.
