“ My (great) "Aunt Letha" was always was concerned about everyone around her. She literally was willing to give you the shoes off her feet! I will never forget how independent she was and that Aunt Letha always had a smile and a hug for me and my children.

“ Ms Aleatha was my Mom's(Mae Evelyn Waddell) Dear Friend since highschool if not before! I remember her as far back as I can remember! She was always the kindest and loving person to me with a smile all the time. It's been years since I've seen her but I always asked my Mom about her!!! My Mom left us this year so I know the feelings with death but all the great memories before the sickness helps. My sympathies to all of her Family and Friends!!! She was always a Super Lady to me!!!!
