“ *Just found out about Allen. So sorry for your loss. I have wonderful memories of your family and of working in the store when I was in high school. May God continue to comfort you. You are in my prayers.*

“ *I am so sorry to learn about the death of your loved one Allen. I know that this is a difficult time for you but rest assured our loved ones will live again by means of the resurrection. John5:28-29 Can you imagine the joy that will fill our hearts at that time? Yes we will see those who mean so much to us again!! What a loving, kind and considerate heavenly father we serve. Jehovah loves us and promises that one day death, sorrow and pain will be gone forever. What a wonderful time that will be! Do not let your hearts be troubled. Believe in the promises of God and find inner peace of heart and mind. Once again I am so sorry for your loss!*

“ Dear Allen, we celebrate our love for you.

I remember your comical statements, your musical ambitions with your Tobacco Road Band and most of all, how we and our sister Genevee, your wife, first met you at daddy's first church, St. Luke in Goldston, NC as you waited on your mom, Geneva Dillard, to participate in the church's homecoming events in the 50's with her family. We later learned that you and Genevee shared the same birthday in every way. How Unique! Rest in Peace, my brother-in-law.
