“ It was a pleasure to work with Mr. Logan on the faculty of Hillside High School during the 1980s and 1990s. In addition to the many curriculum-related issues we discussed, I enjoyed chatting with him about the "2nd Street Business District" in Richmond, Virginia. This area had a similar history as the Hayti Business District in Durham.

I always admired the fact that Mr. Logan was such a cool dresser, especially those exquisite ankle-top Bostonian dress shoes that he often wore.

Al Logan was an outstanding gentleman.
