It is hard to put into words the profound lost of my good friend of 30 years Alveta. She was more than just a friend but more like my sister. Alveta taught me what it means to be a true friend and that is a lesson I will carry with me forever. Her life to me was a blessing, her memory a treasure. I will forever cherish our 30 year friendship and carry her in my heart forever. Until we meet again my friend, rest easy. Your memory will always be a blessing to me
