“ To Renee’s bereaved family of which I am a member:  
I am her cousin, Toot! We played together for long hours in the summer when my Mother, Rosa Lee Samuel and I would visit Durham from Sumter, SC. Renee was always warm, cheerful and offering a welcoming smile. We had fun “romping” in the yard at the house on Cheek Rd. Regrettably, we did not stay in touch as we grew older.

*RIP, Heaven is Your sure reward!!!*

“*To the family of Angela Lenoir, her lovely smile and quite demeanor when we would see her at Duke Cardiopulmonary Rehab would bring peace and love to your soul. She was a lovely young lady who was very proud of her children and grandchildren. No doubt she was the Fashion Icon of the Graduate family at rehab. To be absent from us is to be with our Lord and Savior. Rest now my sister no more workouts or worries!*

“*Angela always had the biggest hello and a smile. She was a very sweet and gracious lady. Moving here from Virginia was hard, but she always made me feel welcome and at ease. I will truly miss her in rehab and riding home with her on the bus. We always tell fellow riders to have a good weekend till we see them again. In loving memory Angela will be missed dearly and our thoughts and prayers are with her family.*
