“ *OMG, my heart is a big lump in my throat. I was texting, calling and emailing Anissa to do my taxes like normal. She's been my person for the last several years and has supported me in all that I've done. My heart is hurting right now. I had no idea until I went to her page and covered my mouth as I scrolled down in disbelief. Rest in heaven, my dear dear friend. --Suzette and Robert Vearnon*

“ To my sweet sister Nissy,
A book could be written about you but I will
always remember your sweet spirit which was real at all times. You
gave the best advice you could give to people and kept 100 . You
will be missed for sure but God always has a better plan. Your
earthly work was complete so now you are with your Heavenly
Father . I still have that necklace and earring set you gave me and I
will wear it proudly thinking of you. I will always love and miss you.
