“ We hope that the peace of the Lord will give the family comfort at this time. My family enjoyed living next door to the Woodward family. We have treasured memories of parties, snow ball fights and bowling. Arlette will truly be missed. We know she is in a better place. I enjoyed talking to her about God's goodness and she enjoyed telling me about the spiritual books she was reading.

I'm sure she heard the words we all want to hear "Well done my good and faithful servant".

“ Back in the day, Arlette and I became "Blood Sisters" by pricking our fingers and co-mingling our blood together with a pact that we would always be blood sisters and have each others back. We made matching outfits, cut school to see All My Children and smoked cigarettes, and we always kept our pact. Arlette has always been a true friend to me and members of my family; she always considered me as family, thus my own family was hers too. I loved Arlette as deeply as a sister could and will forever miss her friendship, laughter, comfort and prayers. I love you Lettie-Mae.

Your Sister in Blood and Christ,

Adrian
