“ To Byron and the entire family,  
My heart was so hurt, when I received the  
news of the transitioning of "my Aunt Arlene ".  
We were not connected by blood, but we  
were connected by heart. From the first day  
we met, there was a connection made in heaven between us. There  
are so many precious memories. Each spring I would always taking  
fresh vegetables and peaches (from Benson to Durham), to her  
sister's house (Ma Vivian) for them to can and freeze for the winter.  
The 3 of us would sit around laughing and talk. "Aunt Arlene " was  
very soft spoken and always carried a smile.  
Although life took us in different directions, our love remained. I will  
never forget her. WE WILL ALL MISS HER. Byron,  
my prayers are with you and your family.  
May each of you find comfort, as you rest in the arms of the Lord.  
My condolences and prayers are being sent, as you go through this  
period of grief. May you all be blessed. With the love of Christ-  
Cynthia Peacock.
