“ *May God continue to comfort the family doing this time and after. I know the pain is new now but with God and family help it will get better. I just say hold on to each other. I can see his smile so sweet and gentle but he would always tell you what he though. Always made me feel special when ever I saw him. He never would not let you know that we are family. I loved my cousin dearly and was very sadden to here of him going home. Him and my brother James were so much a like. So now they will get to meet again on the other side. RIP Arthur and let James know his sister is missing him.*

“ *Hey Lou, this is Megan!!!! Sorry for your loss of Mr. Bowman. He would often tell me when I was on the floor drawing his blood that somebody put a branch (roots) on him. That would make me laugh!!!! Missing you and hoping you are doing okay.*

“ *My fondest memory of my first cousin ; we were both around 7, he would protect me from his younger brothers who would pinch me then run and hide. Shirleyr*

“ I will always remember the huge smile on his face when reeling in a huge catfish while fishing with me at Kerr Lake. Arthur, you will be missed and RIP.
