“ *I believe I met him in Portland Oregon when our light rail system first opened. I sat next to him on a "Max" train that was heading west from Portland. I noticed his name tag, a jocked with him that I thought we related (I am white). He said he was North Carolina and was here to evaluate our the light rail. We had a pleasant conversation and I said good bye when I reached my stop. Little did I know who he was, I wish I did so I could have chatted more him about his experiences. He seemed to be a nice pleasant person.*

*My regards to his family,
John Clements*

“ *I first met Howard when I served as Community Organizer in Waltown and as President of the Community Protectors Club of Durham ... a small non-profit at then, Woodridge Apartments. In Woodridge we were considered a high-crime-area. I would say that ninety-percent of the residents at Woodridge were using or dealing drugs. We were definitely whom Howard Clement often referred to as "...the least of these..." We organized around what we called "Family Day". We invited Howard to come to our first event: He came. As I walked with him around our community and introduced him to the residents, one young man asked him, "Are you a cop?" Howard clearly surprised, asked, "Why would think that I was a policeman?" Rarely did anyone walk around our community dressed in a suit. That smile and empathetic posture were immeasurable to me, a divorced mom, rearing six children in that community. Later, when I was elected to the Durham City Council, I asked to be appointed to the Public Works Committee ... where Howard served ... and if I could sit next to him. I was assigned to Finance Committee instead. I guess where it was perceived that I would do the least harm. Howard often chided and 'attempted' to council me. He was no-longer my smiling empathetic mentor. I was no-longer one of the 'least of these'. I was a colleague for four short years.*

“ I had the pleasure of meeting and working with Mr. Clement in 1968 on the Black Soidarity Committee during the successful boycott of businesses in the City of Durham. He always had the personality and demeanor to gain respect from persons from all sectors of the community. May your loved one rest in peace; he had a life well lived.

“ My deepest sympathy/heart felt condolences go out to the Clement family. I always heard people referring to Mr. Clement as "a gentle giant" and if you ever met him you understood why. He wasn't loud or boisterous but when he walked in a room you felt his presence. His smile was like a beacon of light. Even if you didn't know him it would spread it's warmth over you. May that light shine over you all now and forever.

“ Howard and I came to the City of Durham about the same time. I retired just before he did. I believe that we came to a mutual respect and great appreciation of each other. He was the only council member that I knew for my entire tenure as a department director. We shared many memories of our military service. He will be greatly missed.

“ Mrs. Clement:

Deepest sympathy go out to you and your family. May God give you comfort and peace that you seek, and may the soul of your loved one rest in peace. Mr. Clement was a council member; when called upon, he would surely show up to help settle disputes. His presence was greatly appreciated whether discussing new housing developments or personnel matters with staff for community access producers.

“ My deepest sympathy to the Clement Family in the passing of Mr. Howard Clement. I had known him for most of my life in his service to the community and his presence in my own life. He was the first to congratulate me upon my graduation from NCCU. I felt he had been a part of the reason I received the Z Smith Reynolds Scholarship that allowed me that opportunity. Due to my mother's illness she can not be with you at this time but please know she too will keep you in our prayers. I will always remember Mr. Clement fondly. Yours in Christ. Reverend Marilyn D. “ Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.

“ My first day on a new position i ran into
Howard he said "Sandra, a new broom
sweets good, but the old Ines know where the
dirt is" LIFE LESSON and many of us will
remember saying: Be seen, Be brief and be
seated. So many fond memories however he was truly one that
loved people. People never complained how he voted because we
love and trusted him. As I lite this one candle it is not only in
memory its because there is - never to be ONE Howard. To the
family thank you for sharing him with us so many years.
