“ *I am so deeply sorry to learn of the passing of your most precious loved one Augustus Brandon. I know that this is no doubt a difficult time for you but please know that our loving heavenly father assures us that our loved ones will come back to life by means of the resurrection made possible by the death of his own precious son. John3:16, John5:28-29 I pray that the many fond memories of special times that you shared will leave an eternal mark in your hearts until you see him again. Do not let your heart be troubled. God can not lie! Titus 1:2 Death is only temporary! May the promises of God provide you with comfort, hope and peace. Once again I am sorry for your loss!!*

“ He was in my Fifth Grade class and he always made me smile. He was just so busy. I always admired the love he showed for his sister. He was and will always be a part of the WG family and will be missed.
