“ Mrs. Eason “Mama”, 41 years ago you were my 5th grade teacher at Nolan School. Then, 25 years ago you taught my daughter in 4th grade at Mead School. I still look back and can hear you say as you would shake your head, “Lisa, I tell ya.” You then “retired” and moved south. I will hold close to my heart the many dinners, laughs and long distance phone calls we have shared. They are my best memories. May you rest in peace, my dear friend. 🥹

“ Grandma Eason, you will be sorely missed by all those you've touched. A long standing educational career in CT, couldn't keep you away from teaching once you “retired.” A sweet and loving soul who was always a phone call away. Rest in eternal peace.
