“ *I worked with Bessie for many years at Durham Tech. She was very loyal and loved her job as Bookstore Manager. She loved her Lord and family and spoke of them often. Praying God will give you peace, comfort and strength today and in the days ahead.*

“ Since I learned of your mother's passing, I find myself thinking of you and your family and how much we will all miss her. I am comforted because I am one of the lucky ones whose life was touched by this very special woman. She was truly a very caring co-worker and hard worker.

I join you and the many others who will miss her, but I remain grateful still for having known her.
