“ *I last saw Bessie at our dear Chester's funeral in 2009. Having my share of health and mobility challenges, I haven't seen Bessie since, nor will I be able to attend the homegoing service, but I have thought of her often. I have also talked to Andrea and Michael about how Leola was helping to look after her these past years. My prayers go with the family, and may the peace of Christ be with us all as we grieve Bessie's absence.*
