“ Mrs. Bettye started at Triangle when I went on Maternity leave and She stayed 10 years. She was a joy and a sweet lady. She was an inspiration to me and my family. She was an asset to Triangle Day Care. The children she taught were well educated and we are truly thankful for her time with us. She was also a sorority sister of my great Aunt and both were two of the best educators DPS has ever had. Take your rest Mrs. Smith. You are with Your Honey, Mr. Johnny and your job was well done. We love you and will truly miss stopping by your house.

“ I met Mrs. Smith over 50 years ago when Daryl and I attended Durham Academy. I spent many days after school at their home and was grateful for her to be a part of my life. After I got married and had my son, she even attended his first birthday party. She was a quiet force and I am grateful to have known her.
