“ *Our family sends our Sincere Condolences and support for the family in honor of Ms. Beulah Cole Hollowell. Ms. Beulah will always hold a special memory in our hearts. As a very kind woman, who could make you laugh. Who gave so kindly to our Sister when she was a young fresh out of College Student, that consisted of wonderful little gifts of love, snacks or a little piece of money from time to time. I am so happy that I had an opportunity to spend some time with both twins, after many years, back in May, 2024. Who knew it would be my last time. Everything in life happens for a reason and we don't know the why until after the fact. It was a privilege knowing Ms. Beulah. We pray that she takes her rest in heavenly peace and her family will know that she is going to - Eze a àC be just fine once her twin joins her, how awesome they won't be alone. We love you Ms. Beulah rest well my dear. We thank you for loving us and for your kind acts of ❤️! Rest well!*

“ *In memory of Aunt Beulah, her nieces and nephews have come together to plant a grove of five trees--one for each member of her beloved family. All of us cherish the moments we shared with her, filled with her unwavering care, love, and support--especially during our college years. She was always there for us. We will miss her. Our faith holds fast as we rest in the promise through the bible verse that says to be absent from the body is to be present with the Lord. Rest easy Auntee.*
