“ I don't know where to start, he was an amazing granddad , he was
the definition of a God fearing Man & just an over all warm hearted
person.
This has to be one of the hardest things to accept because
grandparents are supposed to live forever .
I love you forever CDub !

“ I have too many memories to name. So I'll share this one. I loved church but I was Leary of church people therefore after service I would not fellowship. I would run & sit in the car. One day Bishop knocked on the window and said Daughter you're going to have to learn to EAT FRIED CHICKEN WITH THE PEOPLE OF GOD!!!! I chuckled but from that day forward I would fellowship. I'm going to miss him so much
