“ My heart was sadden to hear of the passing of you loved one. He was a wise man that loved the Lord and the people that sat under him and his leadership. I will continue to lift the Williams family up in prayer, because I have sat where you all are sitting now, I know that God doesn't make any mistakes and the Bishop has gained the crown that he worked hard to get. “ To Pastor Shirley Caesar-Williams,

My love and prayers go to you and your family for the passing of Bishop. I also give my thanks to you and to him for all you have meant and still mean to the Keith family. Words cannot express how grateful I am for all you did for us during the passing of my parents, Bishop Ellis Keith and Evangelist Dorothy Keith, only two weeks apart. Because of how you and Bishop showed your love and support during this difficult time for us, I had to let you know that you and Bishop will never be forgotten and will always be appreciated by the Keith family. His life and yours will continue to touch many for Christ.

“ To Pastor Caesar. and The Williams Family

Saying goodbye to a loved one is surely one of life's most difficult tasks. There are no words powerful enough, no music soothing enough to ease your pain at a time like this. But I know you will find consolation in knowing how much you loved and cared for each other. The precious memories of time you spent together will heal you and make you whole again. And you will understand what a blessing it was to have shared in the life of someone you loved so much. Though you say good bye for now, it is only until you meet again someday. When your emptiness will turn to fulfillment, your despair to joy and you will love again for eternity in that place where no one grows old. May it comfort you to know that Bishop Williams is now at peace. In ways big and small Bishop Williams life changed our world and left it a better place and touched too many hearts to ever be forgotten. May you find comfort in knowing how many people share your sadness?

I wish there was something more we could say or do to take away your suffering, but instead please know that we care for you and we are here for you. May the comfort of God help you during this difficult time.
