“ My loving Husband 😊. Where do I begin... We met when I was 15 years old, you were 17 years old and we loved each other from the start❤️ 27 years of marriage and a lifetime of laughs, hugs, and special moments filled with love. You blessed me with 2 beautiful daughters and a beautiful step daughter. Now that your gone I feel peace knowing that Tamika has her daddy back! Every time we spoke all the way up to the day before God took you home we always ended our conversations with “I love you!!” We had a bond that only God could break! Your smile lit up my world, your laughter was contagious, you read my mind and I read yours👁️👁️, music would make us dance around the house and sang to each other. Simply just by looking at each other we would bust out laughing because we understood without being verbal. Baby there is no one better than you! I thank God we had each other’s back to the end like we promised! My love just like our favorite song I’ll always love you forever (Heat Waves🎵) . Mr. Perry I’m gonna forever miss you and I know you’re looking down on your family and still protecting us like always.
