“ *Dianne and I grew up together in Braggtown and went to school from elementary to junior high. We were Co Captains in the Patrols in elementary school which is my special memory of Dianne. I had not seen her in a very long time, and just want to say that she was a great person and sending condolences to the family and Ms Marion.*

“ *My heart is so heavy that words can not explain. I'm so grateful that I got a chance to tell Carmen that I love her. George, Taylor, and I became a part of her family here in Virginia and will forever hold on to her energetic, witty, and kind spirit. She touched our lives in so many ways, which makes it that much harder to let her go.*

My darling Carmen, we will miss you terribly and will hold on to your memories and contributions for a life time.

George, Theresa, Taylor
