“ *This is very late, but I found out tonight that Carolyn had passed. We attended nursing school together many years ago and it has been many years since we'd seen each other. I loved her and am grateful for having had her friendship.*

“ My sincere and deepest sympathy goes out to the Reed Family. I will say that I feel blessed to have met and been a friend of Carolyn's. I can still hear her "hearty laughter"; she always had a smile to share with you and I loved her sense of humor. I'm glad to have memories of our time together as choir members of the "United Voices of Bell-Yeager" and other great memories. I'm so sorry we lost touch with each other; she had recently been in my thoughts. God bless the life she lived here on earth and for the blessed memories she left with those of us who knew and loved her! God's continued blessings upon her children, grandchildren and other family members.

“ I am going to miss you Ms. Carolyn. You are the only person who called me, “T”. I am so thankful for the many conversations and laughs we've shared. From the automatic til the walking food, your stories will be forever in my heart. I know your mom and dad greeted you with a hug. You will never be forgotten. Love always, Latesha aka T❤️

To the Family: I am sorry for your loss. My prayers are with you. I met Carolyn in 1977 while working at Duke Medical Center. We both worked on the On/Gym wards. She worked on Carter Suite and I was a DTO on Williams Ward. I saw her again while attending Bell Yeager. She is in the living arms of God and is resting in that beautiful place called Heaven. Take your rest now.

I had the pleasure of working with Carolyn at Duke Regional for many years. Carolyn was awesome at being a nurse. I thank God for all of the words of wisdom that Carolyn has always given me. Heaven has gained another Angel. Love, Claudette Streater

Carolyn and I worked together at the City of Durham, she was an advocate for fairness in her work and personal life. She will most definitely be missed by all who knew her.
