“ To C. Hope Brown Johnson and Family
Sending you love and prayers that God will keep you and your family in His loving care during this difficult time. I'm so sorry I can't be there with you right now, but know that my prayers are continually with you. The world has lost a good man, and you have lost a brother, husband and father. This is a loss for all of you, but the grief and sorrow that you feel are the deepest and most poignant and personal. Hold tight to one another so that you may be comforted. I pray that you will find joy in your memories and in the love and care of family and friends. May the love of God grant you peace.
We are here if there's any way we can help. –Niecey, Michaela and Michael
