“ To Mrs. Marion and the Waller family you have our deepest sympathy. Growing up across the street from Clifton, he was like a little brother. Clifton was so full of life and loved by all he met. Whether looking out for car parts, providing towing services, or buying girl scout cookies from my daughter, he could always be counted on. He will truly be missed!

We will continue to pray for your family during this difficult time.

“ *We have shared so many great memories. You were taken away from me too soon. This world was definitely blessed to have you. CLE was kind, funny, loving, a hard worker and he loved his family. He loved doing for others. Over the past few months I have seen him at his happiest working, planning for the future and working to restore his beloved GTOs. You will be missed and you are definitely loved. Love forever*

We are deeply sadden to hear of Cliff's passing. We remember him for his strong work ethics, willingness to always lend a helping hand and his ability to engage you in lots memorable conversations. Cliff displayed a level of respect to others that we seldom see today. It is indeed a privilege and honor to have known and called him friend, as our families (Dawson & Chambers) have known the Waller and Edwards families for decades. We will truly miss him.

*To Clifton's family:
I called Clifton my "neighbor through the woods". I only had a few encounters with Clifton, yet his passing has shaken me to the core. He was such a kind, hard-working man who always seemed eager to lend a hand. The last time that I saw Clifton was at 1 o'clock in the morning. He showed up at my house with an elderly neighbor in tow, seeking a phone number to get in touch with his family. That was Clifton! I miss him already. My prayer is for God's comfort for you, his family.*
