“ *We had some serious talks and a lot of laughs. I couldn't believe my eyes when I saw the news on Facebook. I couldn't control the tears and emotions I was feeling. We had just seen each other and caught up while waiting on our hotdogs at the doghouse. I never thought that would be my last time seeing you or hearing you call my name.*

You will be remembered for your for your caring soul and big heart. You touched a lot of people in Durham with your kindness and you will never be forgotten.
