“ *Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.*

“ *Willie, Bonnie, and William,
I was truly sorry to hear of the loss of your loved one. Please know that my thoughts and prayers for strength and comfort are with you. She was a dear friend to me and we shared some good times in Fayetteville and at Highsmith-Rainey. We were the 4 musketeers (Cindy, Carletta, Lynda, and Tammy) and truly felt apart of each other's families. So, know that she will truly be missed. Time and distance separate us, but hearts bind. “ *Willie and Bonnie and family: I was so very saddened to hear of the passing of my dear friend Cindy. I was blessed to have known and have worked with such a fine and wonderful person as she is. Please know that my heart goes out to all of you. Today she knows to be true the promises that God has for her, for today she is resting in His loving arms. I hold in my heart dear memories of the good times that we shared in Fayetteville and at Highsmith Hospital. She was truly a great nurse. She was a dedicated mother to William and Bonnie and a loving wife to Willie. At work, she was always talking about Willie and the kids and about her family members in New Jersey. I can truly say that I knew the history of her life because she was always eager to tell anyone that would listen. Be encouraged and know that God has everything in control. Keep looking up because she is in a much better place. Lynda Jefferson*
