“ *Oh my goodness! David was my supervisor when I worked for Durham Parks & Recreation back in 2002. I checked on him occasionally after we both left the City of Durham. I just learned today of his passing! David knew DPR like the back of his hand and encouraged and shepherded me through the landmines of City politics. Rosa, I see you regularly and had no idea! I will miss you, my dear friend, David Thanks for everything! Prayers and blessings to Rosa and the boys (now men).*

“ To one the greatest professors of North Carolina Central University (NCCU), you inspired me to stay in school and earn my degree. Your classes were the most intriguing and interesting. You made the time to apply old ethical values to new ethical values. You pushed us to think critically. There was never a right or wrong answer, but always a solution for the cause. You help make the Department of Public Administration fit for us Public Administrators! You inspired me to believe in the greater good of what I am to be, and how to live in purpose. I will never forget you Mr. Anderson. Rest easy. Love Always, Latesha McDonald (Williams)
