“ To the McQuaig Family,
Heartfelt sympathy is extended to your family. I'm glad that I got to know DeAnte when he was a student of mine at Riverside High School. He enjoyed playing football in high school and his family enjoyed supporting him by attending his games. He is gone but not forgotten. May each of you find comfort in each other as you share fond memories of him. May God comfort each of you during this most difficult time of your life. Rest In Peace DeAnte.

“ Sandra,
Thinking of you and yours during this difficult time of your unexpected loss. You should take comfort in the fact that you spoiled him as long as he was here and he knew it. You are continuously in our prayers.

*To Deante's family and friends: My deepest condolences and sympathy. Deante was a student of mine in 6th grade at Carrington. He was kind, funny and very caring of others. He made an impact wherever he found himself. He loved sports and was an excellent football player. I ran into him often at RHS football basketball games. I know you are heart broken but know God had a plan even though we can't see that now. Your son left a mark on this world and will be fondly remembered. May God wrap his arms around you during this time of loss. Praying for you all,
