“ *It is still very hard to believe Dianne is no longer and her earthly vessel, but I have no doubt that she is singing praises in Paradise at this very moment. I first met Diane while working at Burroughs wellcome in Greenville. We both worked in their linformation Technology Division and we often had to consult each other on the same application that we were responsible for supporting. She was the very first person that I met when I relocated to RTP. She has always had the kindest and gentlest Spirit, no matter what she may have been going through and she always greeted you with a smile and a warm hello. I will miss her very much. My prayers go to our family and her friends who loved her dearly. May she rest in perfect peace until we may all see each other again. Gabrielle Harris*

I am Shirle Williams and worked with Diane and Ronnie in NC. I'm attempting to reach someone in Diane's family, her children. I know Diane and Ronnie, and was shocked to hear of her transition. I left the area shortly after Ronnies funeral. I have something that belongs to Ronnie that I want to give to Juan, Johnathan or Crystal and am not sure how to contact them. Would you kindly reach out to me at 610 718-6520 or pass my information to any of them. I would appreciate it. Most sincerely.
