“ *I was so sorry to learn of Dolores's passing.. She was a childhood friend from Apex, N.C. Her father was the principal of Apex Elementary school, where we all attended through 8th grade. . It later became Apex Consolidated High School and her father was still the principal and her mother taught English. We celebrated Dolores's 70 birthday with a party but unfortunately we had not kept in touch over the years.. I am sure she is now rejoicing in heaven with her parents who welcomed her home. Rest in sweet heavenly peace..
