“ *I am so sorry to hear of the passing of Dorothy. I worked with her for several years at GTE. We shared many laughs. I remember how much she enjoyed traveling to the beach. I'm so glad that in the past few years we were able to reconnect via FB. Although it's been years since I actually saw her I will miss her dearly. My prayers are with you Carlos and Ms. Jean. May God's Angels encamp around you and give you strength during this time.*
