“ Mrs. Vance was my 7th-grade Home Economics teacher (Sewing class). She was and always will be a very special part of my life and my family, also. She was instrumental in getting me into the High School of Fashion Industries in New York City. She also contacted Good Housekeeping magazine about my mother, Annie G. Reid, and on Mrs. Vance's recommendation, they wrote an article about my mother in their October 1991 edition.

We will always remember her kindness, her smile, and her love. I will miss going by to see her when I'm in North Carolina visiting my husband's family. Mr. Vance, we will keep you in our prayers, and whenever we are in the area, we will just stop by and see you! Love and prayers and blessings to you and the rest of your family.
