Praying for the surviving family members of the late Dr. Nathaniel Wall. Dr. Wall and I have been friends for nearly forty-seven (47) years. We became friends while employed at C.A. Dillon School, Butner, North Carolina. From this point, we became professionally connected by serving as Pastors within the Body of Christ. Rest in the eternal presence of God, my brother. I plan to see you where there will be no more pain, suffering, disappointments, scorn or heartache. RIP!!

“ To the family of Dr. Reverend Nathaniel Wall. Earth has no sorrow that heaven cannot heal. Remember, The Lord is close to the brokenhearted and rescues those whose spirits are crushed.

Reverend Wall, my uncle worked fervently, teaching and peaching God's word. He has finished his earthly assignment, and he now lives in the presence of our Heavenly Father. “ My Dearest Pastor, I don't know what I am going to do without you. You and First Lady are like the parents I no longer have. I loved you so much and would do anything for both of you. Your smile, your grace, your Godly spirit inspired me. I felt an instant connection when I first heard you preach. You took Sam and me under your wing and steered us in the right direction. You only had to ask me to do something, write a letter, anything, and I knew exactly how you wanted it done. You fought a good fight and it's time to take your rest. I will never forget you. However to be absent from the body is to be present with the Lord in whom we preach. I believe he is in a better place and I'm at peace in knowing that. I pray for your peace and comfort during your hour of bereavement.*
