“ *Dr. Bernice Johnson, Fatima, and Selena, may the comfort of the Holy Spirit be with you all, and I will cover you in prayer. It has been years since I fellowshiped with your family, but I have remembered Pastor Johnson frequently. His exuberant smile and warm spirit easily made friend and stranger alike feel like family. I recall that vividly, which I think is a testament to the impression he makes on everyone. His light carries on and you are not alone in celebrating his life. Peace to you, Danielle.*

“ *Dr. Bernice, Fatima, Selena, and Family, I am so sorry to hear of the death of your beloved husband and father. I remember with great blessings attending the church he pastored in Durham when I began the process of transferring my ordination to the United Methodist Church. It was always a joy to see him at national meetings like BMCR. He was truly a blessing. His life leaves a legacy of love. Each memory is a bridge that connects us to one another. Christ has already borne your grief and carries your sorrow. Know the Comforter who lives within. Love and prayers. Rev. Neriah Edwards-Boone*

“ To Dr. Bernice Johnson and the entire Johnson Family:

Words cannot express the deep loss of such a servant of God. The Rev. Dr. Lawrence E. Johnson was a genuine soldier of the Lord's Army. He labored long and hard to get the Lord's work done.

Might you be consoled knowing that your loved one has found sweet rest beyond the river and as he folded his earthly tent to move to his eternal home, he heard the words of our Risen Lord and Savior say, "Well done and welcome home!"

The Shiloh Baptist Church Family joins me in extending our deepest sympathy and prayers. Earth truly has no sorrows that heaven cannot heal!

*We loved Lawrence and we love you, too!

“ *Sorrowful at the passing of a true man of God and brother to all who would accept. I'm thankful for the solicited as well as the unsolicited advice I received and the surprise calls just to say that the road may be rough but I was loved by more than just those in my household. He will truly be missed.*

“ My heart is heavy as I say goodbye to a mentor, former “boss” (he hated when I called him that), but most of all a friend. Dr. Johnson was my supervisor, when I worked in the NCCUMC office. He was always jovial, patient, and committed to the work that we did in the Multi-cultural Ministries Office. Even once I became a pastor, he kept in touch, preached for me, advocated for me, and supported me during some trying times. He will be forever loved and forever missed.

Take care Dr. Bernice, Fatima, and Selena; he will always be with you, and his granddaughters. He loved all of his “girls” so very much.

Love,
Dr. Gypsie Murdaugh, his mentee and clergy friend
