“ *I remember Dr. Sharon Bynum from Hillhaven on Pettigrew. I looked up to her. She was such a sweet lady. Not only was she beautiful on the outside but the inside as well. Such a kind soul.*

“ *I met Dr. Bynum many years ago through a professional nursing organization. We instantly became friends. Her smile and kind gentle heart was attractive. She made you feel comfortable and she always saw the best in people. You knew you had been in the presence of God when you walked away from her! She hosted my son who attended a summer camp at Duke. She was hospitable and welcoming. I will never forget her kindness shown to me and my son. Sharon, you were a role model of what we all should be doing. I pray that my life will matter as yours have. You have left a legacy that will live on til Jesus comes.*

“ "This is a big loss for the Durham Community. She labored hard to care for those who could not afford health care. I will always remember her for this, even though I knew her long before she and her late sister Pat started providing health care services. They both were true heroes in this community!

“ *My deepest condolences to Sharon’s family. Sharon was an inspiration to all. She not only touched the lives of people in North Carolina but extended herself to helping those in need in Africa. Sharon raised money to build a clinic in Kenya and worked collaboratively with me on efforts to empower women globally. Sharon worked tirelessly to transform lives by providing access to healthcare and economic empowerment. She was a Soldier for God.*

God blessed me to have had such a phenomenal women be an integral part of my journey through life.

“ To the family of Dr. Bynum,

We the Buffalo Soldiers Motorcycle Club of Raleigh, NC extend our condolences to family and friends of Dr. Sharon Elliot-Bynum. It was an honor and pleasure to work with such an audacious personality. Dr. Bynum's diligence and dedication were apparent at our initial meeting with CAARE. Her radiant smile permeated the room and the atmosphere of welcome convinced us that we were in a place directed by God. BSMCR will endeavor to continue supporting her legacy and the Triangle Community.

May God continue to bless and support you during this time of mourning.

“ Sharon will be greatly missed by the Durham community. A "little girl" but a giant in heart 😇. Her gentle smile made those who were sick in spirit and in body, know that she valued them just as they were. Yes, she was a mother Theresa here in this historical space of time. On a personal note, Sharon and I connected years ago in a very special way, and I shall never forget how God caused us to connect.

She ran this race, and she finished her course. I would dare to say, that an angel went back to her original home. Be confident family that Sharon did all that she was to do. God bless you, always.

“ *Dr. Elliott in 1979 as a nurse show caring and loving spirit to my daughter Danielle Nicole Richardson in her time of illness. She went home to God and Mrs. was there to comfort my wife and myself. She was a very special person. 35 years later I say to the family thank you for sharing Sharon with us, may God comfort you.*

“ Although she had a soft-spoken voice, Sharon was a phenomenally powerful woman when it came to building alliances. CAARE is an example of the collaborative efforts that came together to provide needed services to an under-served populations. She loved providing support and services to those who were hopeless, helpless, and often times homeless because she envisioned a healthier life and a better future for them. If we could replicate her giving heart and loving spirit to serve the less fortunate in our city, Durham would be the better.

My heart is heavy, yet I rejoice knowing that Sharon fulfilled her purpose for this life. She left a legacy that her natural family, the CAARE family, and the community can celebrate as a great accomplish.

To her families: Heartfelt condolences. Be encouraged and may memories of Sharon give you comfort and peace.

“ I met Sharon many years ago when we worked at Durham Regional Hospital. Most recently, I had the privilege of volunteering at the CAARE Jeanne Hopkins Lucas Education and Wellness Center. I had the opportunity to witness firsthand the many lives in the Durham Community that were being touched by the vision of this true Woman of God! Sharon will be sorely missed, but may her legacy continue through the efforts of each and everyone of us as we strive to uplift those who have greater needs. "Well done thy good and faithful servant .." May you rest in peace.

My love, sympathy and prayers are extended to her family, the staff and clients of CAARE, and the entire Durham community.

“ I got to know Sharon through our mutual work on the Medical Homeless Respite Project. Several homeless clients were housed at CAARE through this project. Sharon treated every one of them with respect, dignity and deep caring. I was extremely impressed by the way she never showed impatience no matter how busy she was and treated the humble in exactly the same way as the VIPs she dealt with. She was organized, hard working, efficient and determined, but never lost her kindness and compassion.

I would like to offer condolences to her family and the staff and clients of CAARE. She will be sorely missed and I am honored to have had the opportunity to know, work and learn with her,

“ Sharon and I were members of a panel along with Dr. John Hope Franklin in 2004, that discussed *Brown v Board of Education*. We discussed how as students in the 60's and early 70's, we dealt with integration. She was something back then with her Afro puffs and determined attitude. In 2014, our Alumni Association honored her for her outstanding work in the community. We gave her the Northern High School Black Alumni Association (NHSB2A) Chivalry Award. We selected the title Chivalry Award because we felt it reflected what NHSB2A Alumni are about - "the combination of qualities expected of an ideal knight, especially COURAGE, HONOR, COURTESY, JUSTICE, and a READINESS to help the weak." She will always be an honored Northern KNIGHT!!!

“ Sharon and I received the Northern High School Chilvary Award 2014. I can't attend her home going because we will be saying our good byes to my brother in law. I wanted to share words that were placed on my heart this morning.

Now that tomorrow has started without me, it's okay, because I help to change lives in a good way. I had a great life and enjoyed the people I met, I can honestly say, I have no regrets. I did my earthly complaining to God, so for you this must be hard. Thank you for always believing in me, God said, "Time to set my servant free". I sure wish everyone could see all the angels welcoming me. To Ebony and Damien the legacy I leave behind, God assured me you will be just fine. As for Ahmad your life has just begun, like your mom, I was proud to have you for my grandson. There is one thing I want yall to know, the hardest part for me was letting you go. Continue to live your life and be all you can be, and know that I will always watch over thee. I didn't have time to think of myself for I was too focused on everyone else. “ *Dr. Elliott-Bynum was deemed the Mother Teresa of Durham by the acting Surgeon General of the United States. This is such a fitting title for her. I witnessed how she transformed lives. She gave hope to the hopeless. She was a friend to the friendless, and she saw potential in people who others had written off. This is such a huge loss for Durham.
