“ *Dear Motley Family,
I am deeply sorry for your loss. I would like to share a comforting thought from God's word the Bible found at John 5:28-29. "Do not be amazed at this for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life.." This scripture assures us that we will be able to see our loved ones again.*

“ *Lattisha and family.
I extend my condolences to and prayers are continually being offered t the Lord on your behalf. I do not know what you are going through, but I do know what it means to lose a mother. With that being so, here is a word that can be an encouragement: Blessed be God and Father of our Lord Jesus Christ, the Father of mercies and the God of all comfort who comforts us in all our affliction, so that we may be able to comfort those who are in any affliction with the comfort in which we ourselves are comforted by God (2 Corinthians 1:3). As you go through your trying times, reflect on the wonderful memories of your dearly beloved, and when you feel the loss that saddens because she is no longer here, you can find comfort in the word of God. God bless You.*

“ *Rest in Peace Drema you will be missed. God now has you in his arms and you can rest in peace and no more pain and suffering. He loved you and wanted you to be that Precious Rose in his garden. May God comfort Clem and Latisha as well as your family.*

“ My heart is broken to know that He has once again plucked such a Beautiful Flower from this earthly garden. And though i will miss her dearly, I take comfort in knowing that she is now resting in "God's perfect peace". My heart and prayers go out to the family now and always. May God's comfort keep you during this sorrowful time. Love you all ...
