“ *In 1981-82, Dr. Brown was my 9th-grade science teacher at the now defunct D.N. Hix Jr. High School in Oxford, NC. He demonstrated a passion for education and an unparalleled concern for his students. It is my hope that the Brown family is comforted in knowing of the countless lives he influenced. I remain a proud former pupil -- Kent Brooks, Springfield, Ohio.*

“ Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.
