“ *Mrs. Ella Mae and I both helped take care of a gentleman by the name of Golan Frasier Sr. (of Blessed Memory), a school Principal in the Durham area and member of St. Joseph A.M.E. As his eyesight continued to deteriorate along with other health issues, Mrs. Ella Mae graciously prepared and often delivered his favorite meals to his home. I was a Nurse Aide and together we tried to make Mr. Frasier comfortable in his home as long as possible. I was fortunate that Mrs. Ella Mae always made a little bit extra so I could sample some of her delicious food as well. She always made sure that he received special greeting cards for birthdays and all holidays.*

We kept in touch mainly by phone and some in-person visits.

It was always a pleasure to see Mrs. Ella Mae's smiling friendly face, talk about the past and share a joke and laugh.

I consider myself blessed to have known such a special, kind and generous woman.

My condolences to family and friends,

Lovingly,
