“ *McKay Family,*
I would like to offer my sympathy for the death of your love one. Death is not natural, because in the beginning Jehovah God created Man to live forever, you may find comfort in knowing that one day the original purpose will be fulfilled. Rev. 21:3,4 give us that hope that "There will be no more death, neither will there be mourning, nor our cry of pain be any more. The former things have passed away." This is a promise from a God that cannot lie. We have all lost someone in death, so this promise is something we all can look forward to.

“ *Dear family,*
I did not know Ella personally, but I wanted to express my deepest sympathy. At times like this, I have found Jesus Christ's words at John 5:28,29 to be truly comforting. There he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to that time so much. Feel free to contact me at the email address attached. Again, I'm so sorry for your loss and I'll keep you in my prayers.
