“ *What a special friend and Mentor Emily was to me and my family. In 1968 Emily and I started working together at Duke Hospital in Pediatrics. Emily in 1971 when I got married, Emily taught me to clean house and then in '73 and '76 she laughed with my babies. Emily loved her children and taught me how to love mine. I thank God for Emily and praise Him that she is now with Him . My sympathy to your family. Fondly, Emma Kiser Smart*
