“ To the family of Minister Emma Harper, please know that I'm praying for you during this time of loss. Minister Harper was a wonderful soul who always had encouraging words to share along with her beautiful smile. She possessed a kind, loving spirit that was made you feel you were family. Be encouraged by the Apostle Paul's assurance that to "be absent from the body is to be present with God." May you find comfort and peace in the coming days.

Minister Emma Harper was a good mother to our kids Boris and Erika and their will be a big void in our life.we both shared one philosophy when one parent gets weak the other one gets stronger. I am stronger knowing that we became closer in these latter years she will be greatly missed but not in our hearts 💕 Emma buy until we meet again.

I came to know Emma when we both served on the missionary board at First Calvary. She was such a beautiful person. She will be missed by so many people. Boris and Erika, know that you are in my thoughts and prayers. It was quite a shock to stumble across this online today.
