“ I've known Esau for many years. We worked together at Duke. He had the best smile and always had an uplifting word or greeting for anyone he came in contact with. Our patients loved him and always complimented how nice and he friendly he was. Esau and I had many conversations about life, our families, our jobs and such. But, mostly we joked with each other. Our goal was to see who could get the other to crack up first. Esau had the most gentle, kind, loving spirit. This old world is a little darker with him gone but I take comfort in the fact that he will suffer no more and now rests in the arms of our Savior. Love and prayers to his family and friends. May God comfort you all during your time of grieving

My condolences to the family. Just know that I am praying for the family. Esau was a great man and I enjoyed working with him the few times I did. One thing that stood out about him was that he loved his children and didn't mind telling you that. He will surely be missed but is at peace with the Lord.

“ *Esau will be missed by so many people...family, friends, co-workers, patients, and generally anyone he came in contact with. His big smile lit up a room, and made everyone feel special. He loved his family, friends, and his Duke Blue Devils...and chocolate. He would go out of his way to help everyone, even strangers. He was a kind soul, a true gentleman, a great cook for work pot lucks, and his dry wit would keep us in stitches. He was head-strong and proud, yet had a heart of gold and would do anything for anybody who needed help. He was a hard worker, and he was competitive, loved to see his name in print for being outstanding in his job and see the patients' glowing comments about him. He touched so many lives over his short lifetime, and I'm honored to have been one of them.*
