Mrs. Pamela Stokes, As a member of Chi Eta Phi Sorority, Inc. I offer my condolences for your loss. I didn't know my soror personally, however, I read that she was a twin. My dad, who recently passed at age 92 was also a twin. What fond memories you and your family must have of this "double blessing." May her legacy be a glimpse even for an unborn child. You and your family are in my thoughts and prayers as you journey through this new life without her. May God provide you all with the strength needed. Shelia Hall, Phi Chi Chapter, Augusta, GA.

“ My deepest and heartfelt sympathy to the family. I met Eula at Columbia Hospital school of Nursing in the late 1950's. She and her twin sister were always so kind and loving. We also were sorority sisters in Chi Eta Phi sorority. Remember, Death has no sorrow that Heaven cannot heal .

“ So blessed to have memories of my cousin, who along her twin, as phenomenal. Learning early on of the contribution to country from the pictures strategically place on the living room window table of our Grandmother Ma Ellen’s and Aunt Lillian’s home for all to see Mae and Faye in their military uniform. No words were necessary as the adage “a picture is worth [more] than a thousand [twice times over] a million words”! Prayers for the Family for GOD’S peace and comfort. 🙏

I have fond memories of Mrs Eulah Maye as I was a child, growing up in Durham. My late sister, Helen Rose, worked with her, and spoke kindly of her often. May the Blessings of God be Bestowed upon Your Family, Always. Darnell McClain, Oakland, California
