“ My sincere condolences and sympathy to Faye's children, grandchildren, family, and friends. I taught with Faye at Jordan High School from 1977 to 1983. She was such an encouraging friend to me. Faye was always a bright light at Jordan. She could make me laugh, no matter which way my day was going. It seemed to me that Faye was a steady influence for her fellow teachers and for her students. She was always even-handed, always cheerful, and able to face whatever the events of the day and life threw her way. Faye was always warm and accepting of me. I am only 4 or so years younger than Faye, but to me, she was a teacher of influence, able to manage the students so well, and inspire them to learn more through her generous personality. I will remember her, and her hilarious sense of humor, and her wonderful smile and great laugh forever. I know her family will feel the loss deeply. I am so happy to have met her and had her as an inspiring fellow teacher so early in my career. I learned so much from her. Rest easy, Faye. You were an inspiration.

“ I would like to extend my sincere condolences to the Lloyd family. I was probably the Lloyd's first neighborhood babysitter. I sat for them during the summer that Mrs. Lloyd was in school getting her credentials to teach. Bryan was not even born yet. Mrs. Lloyd was always sweet with a warm personality and beautiful smile. I know she will be missed by her wonderful children Christy, Tracy and Brian and her grandchildren.

I had the pleasure of teaching with Faye at Hillside High School. She was always so warm, friendly and lighthearted too. I witnessed her many times being an excellent and inspiring English teacher. Also she is my sorority sister. We would chat from time to time and she always spoke so lovingly of her three children. Faye will be missed... A sweet and beautiful spirit.

“ Faye was one of my 22 line sisters when we pledged into the Alpha Kappa Alpha (AKA) Sorority at NCCU in 1967. She was always kind, sweet, and lovable, with such a big beautiful smile. I have not seen her in over 50 years but my fond memories of her are still fresh in my mind. She was a wonderful person!

“ May God's peace and blessings comfort the Lewis and Lloyd family and friends during this difficult time.

It was always a pleasure attending Mrs Lloyds class at Jordan! She and her other African American colleagues exzuded so much confidence, joy, and love and inspired me and others to dream at a time when we were judged almost daily because of the color of our skin.

“ My new friend ,Faye Lloyd, has a new address: 2019 Heaven Drive. I will truly miss my van & dialysis buddy. Me trying to help give her at least one answer for her daily cross-word puzzles that she did every morning , (sometimes I was able to give her one or two answers before I quit and tell her “my brain hurt”, she would laugh and continue to complete the puzzle), her peeking around the corner on the dialysis treatment floor to say Good morning to everyone and saying, “We here!”, Me teasing and calling her “bag lady” for having so many bags and blankets on her walker and asking her what she had in her big lunch bag. Listening to her talk about her children and grandchildren whom she loved and was very proud of. The Lord picked another beautiful flower from his earthly garden to share with the angles in heaven.

“We send our prayers and condolences to the Lloyd Family. Growing up on Reynolds Ave we spent many days at the Lloyds and Williams house. Michelle, Christy, and Tracy would babysit my brother and I. My brother hung out with Bryan and Derrick, who he really looked up to. I can say the girls were my role models, I definitely looked up to them, and watched their every move. I can't remember your dog's name, but I do recall him constantly standing at the open glass door, barking at whoever passed by or came up to the door. Wow so many memories! Ms. Lloyd loved all of us like we were her own. Ms. Lloyd was such a sweet, classy woman who was beautiful inside and out. We will continue to pray for you all.

“ To the Family of Mrs. Faye Lloyd: I was sorry to hear of the sudden transition of your loved one. I had the opportunity to be a co-worker with Mrs. Lloyd at Hillside High for a brief period of time. I will always remember her for her excellence in the teaching of English and for her acceptance of only the best English work from her students. Mrs. Lloyd has been called from labor to reward. God does not make mistakes, and we must accept His will. All of us will face death one day, but through faith we will see our loved ones who have already transitioned. Trust God and know that He will sustain you during this difficult time. You have my heartfelt sympathy, and you are in my prayers.

Faye was such a kind and thoughtful person! She loved her three children, Byran, Christy & Tracey. I used to see her a lot at "Food Lion" and we would chat. Her children used to participate in plays at Community Baptist Church along with my daughter, Kamilah McPhail and the rest of my nieces and nephews(the Carver's) .Faye fought a good fight. “ Dear Christy, Tracy, Bryan and other Family Members,

I have very fond memories of your mother as a co-worker at Guy B. Phillips Junior High and at Jordon High School. We shared many teaching experiences in our commitment to educate the youths at Phillips and Jordan. We often talked about the best way to teach and motivate certain students. We even talked about this at our pinochle club meetings. There were eight of us who belonged to this club and most of us were educators. Whatever the venue, your mother was friendly, joyous, humorous, and talkative. She was a delight to be around and she always talked about her children and other family members.

At this time of sorrow, you have our deepest sympathy. Know that we care deeply about your loss. Our thoughts and prayers are with you and your family. When you love someone, their spirit is forever in your hearts.

May God Bless,

“ To the Lewis and Llyod families I extend my deepest condolences and heartfelt sympathy. There aren't enough words to express how much I enjoyed being in the presence of Mrs. Llyod. She was truly a character with humor, charisma, charm, and you never had to wonder what was on her mind because she would tell you. I have known Mrs. Llyod practically my whole life. Christy and my oldest sister were classmates at Jordan and Mrs. Llyod was eventually one of my teachers at Hillside High School. She took pride and joy with working with us and we always felt her love. May you smile on us from Heaven and take your place amongst the Angel's!

Tracy, Christy, Brian and families, I'm sorry to hear of Faye's passing. She was a lovely colleague, teaching across the hall from me for many years at Jordan. I always enjoyed her lively conversation and sharing the years as our children grew up. Not many of us have the opportunity to be in the same high school as our children, and we shared the joys and challenges of that together. I hope you will all take comfort that she rests in peace now, without pain or problems.
