“ Felina was beautiful inside and out. She was loving and kind. She was one of the first neighbors I met in 2006. She was one of the first people I let hold my daughter when she was born. I will never forget how kind she was to me. My truly felt condolences to her entire family and friends.

“ Grief is all the love you want to give but can't anymore. I am heartbroken for your loss. Felina was a true friend who's heart was huge and she loved hard. I wish we could go back to the last time we were all together and hold that moment forever. Nothing about this is easy, and it just hurts.

To all the family, I pray that your hearts find solace in remembering Felina's light, beauty and laughter. Lean on us as much as you need during this time. We're here for you.
